Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The Anatolian Shepherd Dog is a large breed of dog that originates from the Anatolian region located in central Turkey. The breed was developed to guard livestock and has a large, rugged and strong body with incredible hearing and eyesight. The breed is able to guard livestock using its great sense of sight and hearing as well as chase away predators using its large and agile body. The breed is highly intelligent, resourceful and independent due to the fact that they were tasked with guarding livestock without human assistance or direction. However, these traits make the Anatolian Shepherd Dog a potentially challenging pet. It is not recommended to keep a Anatolian Shepherd Dog as a first time dog owner as they need to be socialized and trained properly during their puppyhood. The breed is also known to roam and it is therefore considered best practice to microchip your Anatolian Shepherd Dog. The breed gets along well with small children and other household pets - providing the Anatolian Shepherd Dog has been correctly socialized in its early years. Before purchasing any pet it is important to understand that...
